

LibreOffice & Nextcloud

Edit Files directly from Nextcloud in LibreOffice

Samuel Mehrbrodt
LibOCon 2021

- Documents in Nextcloud – how to edit those?
 - Use desktop client to sync files to disk, edit with LibreOffice
 - Use Online Office integrated in Nextcloud
 - NEW: Open in LibreOffice via Webdav link
- Nextcloud App
 - Nextcloud App Store: <https://apps.nextcloud.com/apps/fileslibreofficeedit>
 - Source code: https://github.com/allotropia/nextcloud_files_libreoffice_edit
 - Registers a download URI (vnd.libreoffice.cmd)
 - LibreOffice registers itself as URI Handler (since 5.3 on Windows, since 7.2 on Linux/macOS)
 - Communication via WebDav
 - Need a Nextcloud App Password if you have 2FA enabled
